

Southern Md. Volunteer Firemen's Assoc. Benefit Golf Tournament

July 18, 2021

Dear Fire Rescue Supporter.

As the Covid 19 pandemic has impacted us all, we are preparing to once again conduct our annual Southern Maryland Volunteer Firemen's Association Golf fundraiser to support the National Fallen Firefighters Foundation, a 501c3 non-profit foundation. This foundation provides support to families and fire departments that have suffered a "Line of Duty Death". They also provide a number of programs to support the reduction of firefighter deaths, injuries, and a major focus on reducing cancer in the fire service. They provide programs such as children's camps as well as providing scholarships for the children of our fallen heroes. Due to Covid, this year the foundation will bring families from 2019 and 2020 to the annual ceremony in October at Emmitsburg, Md. for recognition and placement of their names at the **National Fallen Firefighter's Memorial** located at the National Fire Academy. A very moving memorial service is held at the chapel near the Memorial site. Due to Covid 19, last years event was cancelled and because of that we will be bringing the families for two years and expect **203** families from 2019 and **116** in 2020 to be in attendance along with nearly 1000 volunteers to assist in the memorial weekend event. **Due to Covid 19, we have recorded 186 fallen firefighters from the virus.**

Our event has been successful thanks to the generosity of our business community. All five of our tournaments have been sold out and has had strong community and corporate support. We are currently in the planning stages for our sixth tournament to be held on **September 15, 2021**, at Wicomico Shores Golf Course. While we have been successful in our efforts, we continue to reach out to the Southern Maryland business community for additional support of this very worthy cause. Our sponsor levels range from \$100.00 to \$2,500.00 and each level of sponsorship is recognized in an appropriate manner.

We would respectfully request that you consider sponsorship of our sixth tournament. Should you need additional information about the event, please feel free to contact me and I would be more than glad to discuss the request or meet with you to answer any questions you may have. My contact information is below.

Respectfully,

Thomas A. Mattingly Sr.
Past President, So. Md. Volunteer Firemen's Association
