Media story links are now available for each fire. For information on specific incidents please go to our webpage [Residential Fire Fatalities in the News](#). The page will open in Map View. **To get the story links you must export the data to a spreadsheet - follow these steps.**

- **#1 Select the date range.**
- **#2 Click Update Report.**
- **#3 Go to "Export Data" section and select your report download option, for example Microsoft Excel.**

The US Fire Administration is committed to providing timely updates on civilian fire fatalities in the United States. Please note that we now use Twitter to post the story link to media reports on selected civilian fire fatalities. If you have a Twitter account, simply follow us [@USFire](#). If you do not have a Twitter account you may subscribe to our [Email Updates](#) of the daily (7 PM Eastern) feed of Twitter posts.

The U.S. Fire Administration recommends everyone should have a comprehensive home fire protection plan that includes smoke alarms, fire sprinklers, and practicing a fire escape plan.
